

Data set	Country	Period	Type	Nr. of charging points	Nr. of charging events	Information	Publication
Adaptive Charging Network	US, California	2018 - 2021	Public & workplace			charging event & energy	public
OLEV	UK	2017	private		1048575	charging event & energy	public
Pecan Street's	US, Texas/ California	2021 - today	private			charging event & energy	public for research
Elaad	Netherlands	01.2012 – 03.2016	public	2929 charging points, 1750 charging stations	> 1 Mio.	charging event & energy	public
Central data monitoring of the fundi	Germany	2013 - 2020	public, half- public and workplace			charging event & energy	not public
FfE data set			synthetic, private			charging event & energy	public
Boulder Colorado data set	US, Boulder Colorado		public		38506	charging event & energy	public
City of Palo Alto data set	US, Palo Alto, California	07.2011 – 12.2020	public		9999	charging event & energy	public
Nobil	Norway, Sweden, Finland	real time		12.000 charging points, 2.500 charging stations		charging event	public
City of Evanston data set	US, Evanston, Illinois	01.2016 - 08.2017	public		7278	charging event & energy	public
Ontario data set	Canada		private			charging event & energy	not public
Paris data set	France	04.-05.2017	public		6743	charging event & energy	public
SAP Labs France Company Fleet	France		-			charging event & energy	public
Paris Belib' Availability in real-time	France	real time	public			charging event & energy	public
Dundee data set	UK	09.2017 - 09.2018	public		67112	charging event & energy	public
Perth and Kinros data set	UK	09.2016 - 08.2019	public		66664	charging event & energy	public
Eco movement	-	historic					against payment
Norway data set	Norway	12.2018 - 01.2020	private		6878	charging event & energy	public
AMB Barcelona	Spain	2019	public		38219	charging event & energy	public
Turku data set	Finland	2019	public		7737	charging event & energy	public
